

FEATURED GUESTS: PA LIONS ALL STATE BAND

One of the changes made to the PA State Council of Lions Clubs' annual state convention format will be the transition of the former Saturday morning breakfast to a Saturday luncheon event.

The transition was made and will be implemented for the 2019 convention at Kalahari Resorts & Convention Center in Pocono Manor in response to suggestions provided by attendees of past state conventions who objected to the early-hour time of the Saturday morning meeting.

The luncheon will feature the first of two performances by the PA Lions All State Band, which will perform an indoor concert while guests enjoy their noon meals.

Included in the Saturday luncheon will be the presentation of the 2018-2019 Multiple District 14 Lioness of the Year awards.
