International Director Larry Edwards And We Continue To Serve

Greeting Lions, Leos and Lioness,

Wow, what a difference three months makes. Temperatures are up, grass is growing and needs cut, short sleeve shirts are out, and Lions are beginning to meet in person. What a good feeling that is. Seeing many whom we have not seen for many long months.

Our State Council of Governors met two weeks ago in Harrisburg with their DGEs and 2nd VDGs along with several other Lions. The Council meeting went well in person as well as the Friday evening Counselors' dinner and recognition of the Governors finishing their year as they become Immediate Past District Governors. What a great weekend.

That was followed by our Multiple District Convention held virtually. For the first time (and hopefully, last), it went well. It is available on YouTube for those that did not get to see it live. Also, the list of those honored in the Necrology Service is on the PA Lions website.

Next up is the International Convention that will also be held virtually. I have seen some previews of it, and it will be as if you were there in person. Please consider registering if you haven't yet. The Parade, Flag Presentation, Plenary sessions, Entertainment and the DGE ribbon pulling will be online. If you have registered be sure to become a delegate for your club for voting.

Now that we are beginning to meet in person, dust off those service projects that have gone stale and get them moving again. The needs are still big, and the team is ready to go. Let's roll. There are so many opportunities that need filled. Why not work on a plan for the last month of this year but carry one forth for the 2021-2022 year. Report this service through MyLion and be sure you share with your local newspapers and social media pages. Give your club credit for those good works.

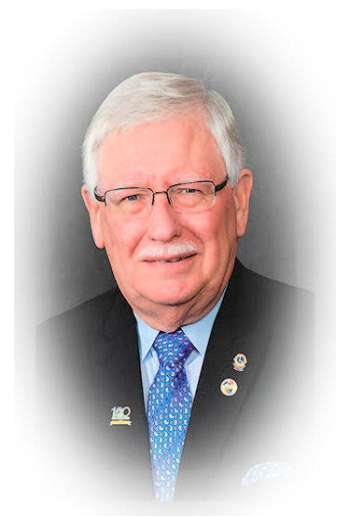

With a new year around the corner, this is a great time for clubs to begin planning for the new year. Put that club calendar together with your budget so your members know what is happening and expected. Remember, plan the work, and work the plan.

Stay positive and get excited about the new year coming. I am looking forward to hearing about super results from our Multiple District clubs.

Please have a safe and productive spring. I am looking forward to seeing many more of our Lions in person as this year moves on. Keep up that positive attitude and keep on serving.

In Lions Service,

ID Larry

Leadership profile

Future Council chair wears many crowns

Given the opportunity, one becomes mesmerized, if not overwhelmed, while Dr. Linda Zaneski retraces the road of life she has travelled and reveals the steps she sees herself taking in the future. Hers is a life already filled with amazing milestones and accomplishments with even more "Wow" moments awaiting her on the horizon.

The proud owner of two Master's degrees and a Doctor of Nursing degree, Dr. Zaneski is a former Miss Pennsylvania (1991), a former Mrs. PA United States (1996), a seven-time runner-up to Mrs. Pennsylvania International and former borough council president – the first female to serve the borough in that capacity, and that's just a tip of the proverbial iceberg.

She is also Lions Clubs International's 2021-2022 District 14-W First Vice Governor and, as such, in position to become the sixth female to serve as chair of the Multiple District 14/PA State Council of Lions Clubs' Council of Governors.

From there, she has hopes to higher offices. She has her sights set on being MD-14's second female International Director and first to serve as International President and the second 14-W/fourth PA Lion to lead the world's largest civic service organization.

"Lofty goals, I know," Zaneski said, "but that's what life is all about -- setting goals and working hard to achieve them. Nothing is impossible."

Zaneski seeks to follow the path blazed by, among others, Joseph L. Wroblewski, District 14-W's first/PA's third International President, and Cindy Gregg, the MD's first female State Council Chair and International Director. In addition to Gregg (2011-2012), Zaneski will follow in the footsteps of female Past Council Chairs Terri Kodgis (2015-2016),

Karen Brady (2016-2017), Marilyn Wagner (2020-2021) and Cathy Baker (2021-2022). On the district level, she counts Past District 14-W Governors Joan Milligan (2006-2007), Eileen Yurish (2010-2011) and Marilyn "Mimi" Tosh (2011-2012, 2014-2015) among her female Past District Governor role models.

"I love the fact I have so many female role models in Lionism," Zaneski said, "and I look forward to continuing to learn from them as I get closer to my term as State Council Chair."

Zaneski had the unique opportunity as a member of the 2019 PA state convention host committee to meet and observe LCI's first-ever female International President, Gudrun Yngvadottir, the featured keynote speaker for that event. As Council Chair in 2023-2024, Zaneski will serve under the second, Dr. Patti Hill.

To say Zaneski thrives on challenges would be a gross understatement.

"I love the quote by Eleanor Roosevelt -- *'You gain strength, courage and confidence by every*

experience in which you really stop to look fear in the face. ... Do the things you think you cannot do.'"

"I love learning," Zaneski said, "and would give that advice to never stop learning and growing and doing the things you want to do to be happy and help others. I learned that from my grandparents and my mom.

Zaneski became a Lion in February 2003 when she was inducted into the Edwardsville Lions Club and served several terms as President and Vice president, and Leo club advisor before the club disbanded in 2017, at which time she transferred her membership to her hometown club in Dupont. In June 2021, she completed her second term as that club's secretary.

Zaneski made an immediate impression upon Milligan when they first worked together on the creation of the Edwardsville Leo Club.

"Linda takes on each new project with enthusiasm and a positive attitude, which is the key to her success," Milligan said. "She approaches each new challenge with a plan, direction and the knowledge to follow through."

"I look forward to her year as our District Governor," Milligan added. "She was the right choice from our district to take on the challenge of being the Council Chair. She will approach the position with the enthusiasm and commitment needed to lead the Multiple District and have a very successful year."

Zaneski is part of a four-generation District 14-W Lions family. Her grandfather, Louis Iannuzzo, was a charter member in 1949 and she has since proudly helped welcome both her mother, Phyllis O'Boyle, and daughter, Rebecca "Becky" Zaneski, into the Dupont den.

Lion Linda wasted no time getting involved on the district level, serving as zone chairperson during the 2003-2004 Lions year, and became

The 2020-2021 District 14-W leadership team was comprised of, from left to right, Second Vice Governor Dr. Linda Zaneski, District Governor Tom Mulhern and First Vice Governor/PDG Andy Piskel.

actively involved on the state level in 2019 as the district's Diabetes Program chair and co-coordinator of the state convention host committee's Strides Walk. Behind her lead, the project generated over \$8,000 for Diabetes Research and the purchase of a vision-screening machine by districts in northeast Pennsylvania.

"Linda has brought a spark of life to and reawakened a district that for many years had been slumbering," said Andy Piskel, who will serve a second term as District 14-W Governor in 2021-2022 and was the 2019 state convention host committee chair. "She is a welcome addition to our leadership team; she brings enthusiasm."

"I am honored to have her as my First Vice Governor and look forward to her years as Governor and State Council Chair." Tosh shared those sentiments.

"I am excited to see her continue to grow and thrive as a Lion and as a leader." Tosh said. "Our District is lucky to have her and MD-14 couldn't ask for a better person to represent us. I can't wait to call her Council Chair!"

When her paws aren't deep in Lions projects and family activities, Zaneski works as the Associate Chief of Nursing Services – Geriatrics and Extended Care at the Veterans Administration Medical Center in Wilkes-Barre, a position she has held since July 2008.

A typical day in her life? "I am at the Medical Center by 6:30 a.m. to get report from the night supervisor, review charts and plan my day, which is usually filled with meetings and reports."

"I love what I do," she said, "so I always try to guide and mentor other nurses and managers. Everything we do is focused on providing the best quality of care to the veterans while maintaining their quality of life and well-being."

Caring for and about our elder residents is a topic near and dear to Zaneski, who added "author" to her list of titles in July 2006 when a children's book entitled "Something to Remember Me By" was published. Dedicated to her grandmother, the story is about a ceramic vase Zaneski painted when she was nine years old and, 28 years later, her grandmother gave it to Becky, who was then nine years old, so she would have something to remember her by. The book is listed on Amazon and has been donated to several school libraries.

Linda and Stan Zaneski were married in 1993. "He is my best friend and I am so lucky he is by my side through my crazy life," Linda said. "He takes such good care of the house, he's very handy ... and he's a fantastic cook, too!"

ZANESKI

(Continued from previous page)

"The moral of the story," Zaneski said, "is to spend time with your grandparents so you can have memories and things to always remember about them."

Maintaining her lifelong legacy of having several proverbial irons in the fire at the same time, Zaneski – who has been published twice before and three times as a poet in the International Library of Poetry – is currently working on a children's book series called "The Beatitude Bears." The series focuses on the morals and values that should be instilled in our children. The first book is on the value of recycling and repurposing things to help others, two themes that resonate among Lions as part of Lions Clubs International's five Global Causes.

Having witnessed first-hand the impact on her grandfather and family and more than six million other Americans living with the disease, Zaneski has served as an Alzheimer's Association volunteer for over 35 years and is a member of Pennsylvania Governor Tom Wolf's Alzheimer's task force.

"Lion Linda is the embodiment of 'We Serve,'" Tosh said. "Despite her dizzying schedule, she never says no when asked to do something. To see her navigate between home, work, Lions, community, and pageants is mind boggling! She is the most organized lady I have ever met. She always seems to go above and beyond and to her, it's just a regular day."

Zaneski, whose work day usually ends around 5 p.m. followed by another full schedule of meetings, a workout and spending time with the family, learned at an early age how to have balance in her life.

"I watched my grandfather successfully manage education and business while maintaining a family and have, hopefully, now

set the proper example for my children.

"I have always been good at multi-tasking and time management," she said, "but I never go anywhere without my date book."

Urged by her dance instructors, Zaneski entered her first pageant as a teen and won a scholarship that helped pay her undergraduate tuition at Wilkes.

From there, the rise to the pinnacle of pageant participation was meteoric. She won the 1991 Miss Pennsylvania contest and received the "Non-Finalist Talent" trophy for her tap dancing routine at the Miss America contest in Atlantic City. She also finished as the runner-up in the "Quality of Life" Community Service competition sponsored by Fruit of the Loom – and, she quickly pointed out, the prize was not underwear.

Five years later, in 1996, Zaneski won the Mrs. Pennsylvania United States pageant and earned a top-15 finish in the national competition in Las Vegas. She continues to be an active participant in Mrs. Pennsylvania PA and USA pageants and has earned seven consecutive runner-up honors, the most recent coming in May 2021 when she was selected as Most Photogenic. She will compete for the Mrs. PA Earth USA title in August 2021.

Lion Linda was the second runner-up and received the Photogenic award in the 2021 Mrs. Pennsylvania pageant

Participating in pageants proved to be a pivotal part of her personal and professional development, Zaneski said. "It taught me so many life lessons, from interview skills and public speaking to confidence and determination. It opened up so many doors.

"I had a year of amazing memories and opportunities as Miss Pennsylvania that include a personal one-on-one meeting with the sitting POTUS (President of the United States, George H. W. Bush)!" and she has many interesting stories to tell from that year of service.

ZANESKI

(Continued from previous page)

Being selected as Miss Pennsylvania as part of the Miss America Pageant also allowed Zaneski to leave college debt-free with a Bachelor of Science in Nursing degree. She added Master's degrees in Health Care Administration and Nursing and Gerontological nurse and Case Management certifications to her resume before topping it off with her doctorate degree. "I plan to earn my Dementia certification this summer and become a Fellow in the American College of Health Care Executives," she said.

The former Linda O'Boyle was the second oldest of Phyllis and John O'Boyle's four children, born and raised in an Irish Catholic home in Dupont, "next door to my Italian grandparents, hence my love of pasta."

Zaneski's father passed away in January 2020, but her mother "is going strong" at age 80. "After my dad passed away, Mom needed to be kept busy and the Lions club has been a perfect fit. I pick her up to attend the meetings and events and she feels good about helping her community"

Helping to keep the family matriarch sharp are three of her offspring who are medical professionals. Her oldest son, Louis, is a physician and Regional Medical Director for Adfinitas Healthcare and youngest daughter Amy O'Boyle Neal is an optometrist. Younger son Joe? He "only" received an MBA degree from the prestigious Wharton College at the University of Pennsylvania and a Master's degree in computer design. "Mama O'Boyle did good," her oldest daughter said proudly.

Zaneski and her husband, Stan, have been married since 1993 – they met, where else, but in a college chemistry class – and reside in

Celebrating with Linda after she received her Doctorate of Nursing degree were, from left to right, son Stanley III, husband Stan and daughter Becky.

Edwardsville with their two adult children, Becky and Stanley III, who have also each compiled an impressive resume - and are former Leo club presidents.

"One of my favorite things about being a Lion," Zaneski said, "is that my children volunteered with me over the years. They learned from an early age how easy it was to make a difference."

The elder Stan Zaneski is a lead manager at Topps Company in Moosic and a multi-sport Pennsylvania Interscholastic Athletic Association referee.

"He is my best friend and I am so lucky he is by my side through my crazy life," Linda said. "He's always on the run like me, but he takes such good care of the house, he's very handy – he built an incredible pond with a three-tiered waterfall in our backyard and is finishing up a patio complete with a fire pit – and he's a fantastic cook, too!"

Their daughter has followed closely in her mother's footsteps, first as a dancer, cheerleader, gymnast and pageant winner and now in the

healthcare field as a Medical Support Assistant at the VA Medical Center.

Becky began competing in and winning pageants at the age of three. When her career concluded, she had collected crowns as Miss Luzerne County Outstanding Teen, Miss PA Junior Teen, Miss PA Teenager and Miss PA Collegiate America. She was also first runner-up in the Miss Teenager national competition and received the Community Service award at Miss Collegiate America nationals. She competed in the Miss PA pageant like her mom, with whom she teamed up in 2004 to win the Mother-Daughter title in the East Coast USA pageant.

Becky received both a Bachelor of Science in Biology and a Master's degree in Organizational Management with a specialization in Healthcare from Misericordia College and was a national-qualifying college cheerleader.

Stanley John Zaneski III is the epitome of a "student-athlete." A multi-event league champion and school record holder, he was the 2019 Liberty League "Swimmer of the Year" and 2021 Ithaca College "Senior Male Athlete of the Year." As a student, he earned a Bachelor of Science degree in May as a magna cum laude Communication, Management and Design major with a minor in computer science. The 6-foot-8 freestyle specialist will begin graduate school and his final season of collegiate competition in August.

"I really don't know what else to say except that my husband and I are extremely proud of our children and all they have accomplished," Linda said. "They are caring, considerate, smart and responsible."

Which, when you boil everything down, in turn summarizes our future State Council Chair.

Committee appointments: 2021-2022 Council Meeting #1

In accordance with State Policy 401, "State Committee and Coordinators Appointments"

A Lion interested in serving on a State Committee or as a State Coordinator shall submit a written resume of qualifications for the said position and a signed Letter of Intent (Policy 401A) to their District Governor, who shall then forward that material to the State Office to be included in the pre-Council meeting packet distributed to members of the Council of Governors and PA International Family prior to the convening of the next State Council meeting.

Deadline for receipt by the State Office of Lions' resume and Letter of Intent for the first 2021-2022 Council meeting is Monday, July 12.

A District that has a committee or coordinator appointment on the agenda of a Council Meeting and does not have a qualified Lion to serve may have the appointment tabled. The District Governor must return at the next Council Meeting with a qualified Lion or pass the appointment to the next District within the Region.

A Committee Chairperson, member of a committee or coordinator eligible for re-appointment must submit only a Letter of Intent stating his/her willingness to serve another term in order to be considered for re-appointment.

Appointments by District Governors for Lions to act as State Convention Host Chairperson or State Council Meeting Host Chairperson should be appointed by the District Governor or the District Cabinet. A Lions resume and Letter of Intent is required.

All committee members are required to attend 50% of the committee meetings called by the Chairperson or Council of Governors

with the exception of the International Convention Committee members who are required to attend three of the four meetings.

State committee members and coordinators may serve on an Ad Hoc Committee appointed by the Council of Governors. The Ad Hoc Committee shall be in effect for one year from the date of appointment. Members of the Ad Hoc Committee may be permitted to succeed themselves, if the Council of Governors extends the time for the existence of the committee. The Ad Hoc Committee shall be under the direction of the Council of Governors.

The following State Committee and Foundation board of director appointments are scheduled to be made by the 2021-2022 PA State Council of Lions Clubs' Council of Governors during its first meeting August 7 at the Red Lion Hotel Harrisburg Hershey.

- **Finance Committee** (Policy 203) – 3 positions currently open: Chair, Central Region representative and Eastern Region representative.

- **Investment Committee** (Policy 205) – 3 positions. Current members PDG Lefty Pistentis and Lions James Lyons and Stephen Mrozek are eligible for re-appointment.

- **USA/Canada Lions Leadership Forum Promotion Committee** (Policy 210) – 4 positions currently open: chair, Central Region representative, Eastern Region representative and Western Region representative. Current members Sue Anthony and Tracey Amacher do not seek re-appointment.

- **PA Lions All State Band** (Policy 211) – 2 positions to be appointed. Current chair Vince LoRusso and Western Region representative Robert Rossi are eligible for re-appointment.

- **Global Service Team Coordinator** (Policy 305).

- **Diabetes Program Coordinator** (Policy 307).

- **2025 State Convention host committee chair** (District 14-H appointment).

- **2026 State Convention host committee chair** (District 14-M appointment).

- **2023-2024 State Council Meeting #2 host committee chair** (District 14-H appointment).

- **2023-2024 State Council Meeting #3 host committee chair** (District 14-G appointment).

- **Committee on Committees ad hoc committee** – 4 positions currently open: chair, Central Region representative, Eastern Region representative and Western Region representative. Current members PDGs Dave Stitely (14-E) and Steve Wagner (14-P) are eligible and have indicated their desire for re-appointment. PDG Harry Kornprobst, Jr. (14-J) does not seek re-appointment.

From Council Chair Marilyn Wagner

"The days you are most uncomfortable are the days you learn the most about yourself."

Mary L Bean

I think we would all agree that this past year has been incredibly challenging as the pandemic continued to impact our Service – uncomfortable as we struggled to maintain the fellowship of meetings yet learning to adapt to the benefits of new technology to continue that fellowship - even if not all of our club members were able to Zoom in, we still kept others in touch with newsletters and phone calls.

Lions do adapt, and I am happy to say serving with Kindness and Diversity continued without much interruption - despite the pandemic!

It has been my honor and privilege to serve with this year's Council of Governors and I congratulate all 17 of our District Governors for the tireless service they have given to the Multiple and their Districts this past year. They have had to make difficult decisions and I sincerely hope they continue to serve and provide support to the 2021 – 2022 Council of Governors as they in turn face the challenge of leading us out of a pandemic and into a period of regrowth and renewal.

We are now looking to our new Governors to ensure our 2021 – 2022 club officers receive the benefit of training and personal development that Lions Clubs International firmly believes in – a commitment we make to a new Lion or Leo when they join us in service or when we ask them to step into leadership, and I believe it can make the difference between making the decision to join or leave a club. We should all keep in mind that one size does not fit all and that all new ideas should be heard and not dismissed simply because we have not tried it before.

Membership, the fundamental that keeps us operating – as of June 24, 2021, our Multiple District lists 17,032 members in 666 Clubs – a net loss of 576 Lions from July 1, 2020 – inflated perhaps because the technology adopted in some areas did not fit all clubs or simply that for some it became too difficult to continue under this pandemic. But to the **1,293 new Lions** who added their names to our global humanitarian organization this past year – I offer a sincere Thank You.

Traditionally the months of December and June include the exercise of housekeeping membership - so clubs are not billed for members who have decided not to continue their service into the new Lions year; however, we should use our summer activities and events to perhaps recruit that family member, friend or new neighbor to our service and prepare for a great year ahead.

The wind of change is in the air, and we all have the responsibility to continue the work of growing our Lions Club Membership – seek out those areas in your districts that have lost a Lions Club and are perhaps unaware we once had a footprint in the community.

I am a Proud Lion and feel confident that our global causes of Vision, Hunger, Environment, Diabetes and Childhood Cancer can inspire others to join us in service.

WE SERVE. It is what we do and what we must continue to do – continue the challenge of introducing new service projects to involve our communities, bring back those cancelled events so supported and enjoyed pre-pandemic...now is surely the perfect time to act and rebuild!

In closing, I wish to personally thank the Council of Governors and their Partners in Service for their support as we made our way through this challenging Lions Year, the International Family members for their invaluable advice, guidance, and friendship and the Lions of Pennsylvania - thank you for your continued service to your Districts and our Multiple and I sincerely wish all of you a successful year ahead as you continue to **Serve United in Kindness and Diversity.**

From Global Action Team Area 1D Leader PID Cindy Gregg
"Clubs' Greatness"

Dear Lions and Leos,

Does your club have what it takes to be great? During DGE training, our incoming leaders watched a video featuring Dr. Willie Jolley who asserted that, "If you want to be great, you need to serve others with a heart full of love." As Lions, we try to do that. After all, our motto is "We Serve," and our newly elected International President Doug Alexander's theme is "Service from the Heart." Likewise, to achieve greatness, Dr. Jolley claims that we must associate with people who inspire us to accomplish more than we thought possible, while serving with others to empower them to accomplish more.

These past 15 months have certainly caused us to reassess our projects to provide more meaningful service than we thought possible without our usual fundraisers. Yet, those clubs who were visible and realized the need to change not only "served from the heart," but attracted more hands to increase their service.

Congratulations to the Mill Creek Lions (14-L) who had a net increase of 15 members; Mechanicsburg (14-C), Waynesburg (14-M), and Drums (14-W) who increased by 13; while Uniontown (14-M), Ford City and Rochester-Beaver (both 14-N) had a net increase of 9. The Mon River Fleet (14-B) increased by 8, with East Huntington Township (14-E), Northern Tioga County Centennial (14-G), Carmichaels (14-M), and Lower Swatara (14-T) having a net gain of 8.

These clubs proved that "change is possible when you have the right attitude." Their excellence was accomplished through caring, dreaming and expecting a positive outcome. Of course, the three major components of positive attitude are vision, decision and action. When you think big, you can achieve successful results.

- In this new Lions' year, encourage ALL clubs to work toward the Club Excellence Award because every club can accomplish this!
- Urge clubs (and districts) to develop a succession plan. After all, no one should be in the same position for decades. This keeps others from developing their leadership skills.
- Sometimes, too, it becomes crucial to make those difficult, but necessary decisions. Delaying the inevitable makes the change more difficult.
- Commit to acting upon your dreams by setting goals for vision and diabetic screenings, meal preparations, environmental improvements, and childhood cancer projects.
- Look at the project planners on the LCI website to make your preparation easier.
- Encourage Lion leaders to utilize the tools and resources that LCI has developed, particularly the outstanding e-Books which link to the essential forms and documents.
- Finally, work to achieve the district goals that align with the North American Membership Initiative/Global Membership Approach to attract new members and to retain our present members by utilizing their talents and passion.

Best wishes as you "Serve from the Heart" during this new Lions' year by striving to make a difference to someone every day.

Yours in Friendship and Service,

Cindy, GAT Area Leader (Pennsylvania, Virginia, and West Virginia)

**From Global Membership Coordinator
PDG Cheryl Wilbur**

Reflecting on this Lions Year 2020-2021, I wonder where the time has gone and what have we gained? We are gaining new thoughts in a pandemic world; however, we are still attending to others needs.

My report is not going to give you the facts, as NAMI Champion PID Cindy Gregg will provide this information. I will address the desire and fortitude to see more into the future. We have clubs that have been in existence since the 1920's, with some flourishing and others maintaining their steadfast support of their communities.

Are Governors and their teams looking at the opportunities to provide service to areas not covered by a Lions club? Setting goals, developing plans, and expanding the districts takes steady work while leaving a legacy of the fortitude to provide for the future of Lionism.

The Lion as a symbol of looking back at the past and looking towards the future should be evidence enough to want to generate more clubs and build membership. Are Governors losing sight of the future, are they developing the members with passion to serve, or are they just taking the title?

As the NAMI Leaders and GMT Leaders of this country have offered numerous avenues to assist all Lions to take the lead, there are areas where this is not displaying the results that could be. We are a team in all aspects of leadership and Lionism, can we not work together and support each other in the endeavor to continue with Helen Keller's quote, *"Alone we can do so little, together we can do so much."*

Taken from www.brainquote.com, "This powerful **quote** by Helen Keller **will** forever stand the test of time. When **we** work **together** on a common goal, **we can achieve** things beyond our greatest imagination. This **is** especially true if our intentions **are** real, and the purpose **is** for the greater good."

This quote was made from the heart of a woman who could not see but had the vision to see what could be. What is your vision?

Respectfully submitted,

MD-14 GMT PDG Cheryl Wilbur

FROM LEADER DOGS FOR THE BLIND COORDINATOR AMANDA REMIC

As we come to a close on this challenging Lions Year due to the COVID-19 pandemic, district governors and clubs should take a moment to recognize those Lions who continued to keep our motto “We Serve” moving forward. Leader Dogs for the Blind has excellent ways to provide recognition and continued support.

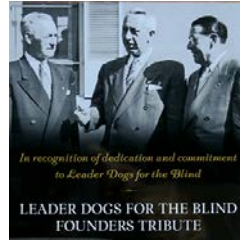

Leader Dogs for the Blind has multiple recognition opportunities: Medallions, Together We Serve Pins, Tribute bricks and a Founders Tribute. Each of these items is an excellent way to say thank you to a great Lion or even a member of your community who helped out during this past year.

Another great way to provide continued support to Leader Dogs for the Blind is partnering with a local business to promote Dollar for Dogs. The Dollar for Dogs program is similar to other organizations' programs where a customer will donate a dollar and complete a Leader Dog sticker to be displayed at the business. A nice thing about this program is that it will promote Leader Dogs for the Blind to those who were not aware of this great school. All proceeds will be donated back to the school.

This past Lions year was one like no other, but it also brought Lions, Leader Dog and the communities closer together in our commitment to service. It allowed us to think outside the box or as District Governor Chuck Thompkins of 14-E told us “to be opened up for new ideas.” As we slowly begin to go back to “normal,” we need to continue the new ways we connected and supported throughout this upcoming Lions year as well. Leader Dogs for the Blind will be continuing the new virtual ways to keep connected with the districts. In August, the 1st Vice District Governors will experience Leader Dogs for the Blind with a three-week virtual experience. The summer fun kits will be mailed out closer to the date. Teenagers will still be able to enjoy Summer Camp virtually. Both of these events were such a success last year. I am looking forward to continuing to work with Leader Dogs for the Blind and all the districts for continued success.

2020-2021 MD-14 MELVIN JONES FELLOWS

From LCIF Coordinators McKnight and Punchard

As we near the end of the third year of Campaign 100, only three districts in MD-14 are above the 45% target goal set by LCIF leading to the 100% goal set for each district. District 14-C is leading the way at 73% with both Districts 14-D and 14-P at 47%. With just a little over a year to go before Campaign 100 ends, we have a long way to go.

In the "Shave the Stache" fundraiser, we are over the \$8,000 mark, so we are getting closer to our \$10,000 goal and for ID Larry Edwards and PID Jim Cavallaro to shave their mustaches. Each ticket is \$25.00 and for every 40 tickets sold a winner will be drawn for a Melvin Jones Fellowship, if we reach our \$10,000 goal.

Please be sure that your club is passing around the LCIF coin box and to send a check to LCIF in June. A Lions Club in just one night raised \$110 from passing around the coin box!

There is now a LCIF Marketing Portfolio and a LCI Service Toolkit available online to help clubs with their fundraising for Campaign 100. These tools can be valuable to help raise money for Campaign 100.

As we are about to enter the fourth and final year of Campaign 100, we encourage all clubs to remember LCIF in their planning for next year, especially the possibility of holding a fundraiser for that purpose.

On April 11th LCIF held a successful virtual telethon that we hope many of you saw. There were 165,000 viewers and \$885,000 was raised!

Another point of emphasis is to encourage all clubs in MD-14 to donate to LCIF. The more money LCIF receives, the more they can do to help others!

Once again thank you for your support of LCIF and let us make next Lions' year the best one yet for contributing to LCIF in MD-14!

Respectfully Submitted,

PDG Kerry McKnight and PDG Evan Punchard

Liquor not permitted in basket raffles

Please be aware: A popular staple in basket raffles is a “no-no.”

After researching the matter with the Executive Director of the PA House of Representatives' Liquor Committee and the PA Liquor Control Board, MD-14 legal counsel Lion Ashley Grimm reported that “liquor is not permitted to be in a basket for purposes of a raffle. This also

includes silent auctions.

“This equates to selling liquor without a license,” Lion Grimm said. “A wine and spirits gift card is permitted to be included in a raffle basket, though.”

Lion Grimm’s research supported the opinion expressed by Lawrence County Treasurer Richard Rapone in a recent New Castle News story that had prompted MD-14 State Council Chair Bill Morgan to contact Lion Grimm.

As part of the News story, Capt. Jamie Jones of the LCB Enforcement Bureau said including any type of alcoholic beverage – be it a six pack of beer, a bottle of wine, a bottle of whiskey or the like – is a violation of the Pennsylvania Liquor Code, Title 47, and is an unclassified misdemeanor offense. The fine upon conviction is \$500, levied to the organization sponsoring the fundraiser and not the donor of the basket.

In the News story, Rapone pointed out, under the state’s small games of chance law, it is illegal to host basket raffles at fundraising dinners used to benefit someone who is sick.

The Northeast PA Lions Service Foundation sadly reports the loss of two valued Board Members who have passed on: PDG Don Mills and PDG Jack Smith. Between the Eye Bank and the Foundation, PDG Don Mills served 18+ years, PDG Jack Smith served 15+ years. Their service and friendship are greatly missed.

PCC Lowell Hawk, who served 16+ years on the Board has resigned as a Board Member but will continue to serve on our Advisory Committee.

Since our last report in November, the Northeast PA Lions Service Foundation has been hard at work accepting grant applications, improving our operations and even expanding our Board of Directors. Recent grants include:

Date Received	District	Club Sponsor	Grant Type	Project	Request Amount	Board Approval Date
12/1/2020	14D	Intercourse	Equipment	Stair Lift	\$5,000.00	12/09
12/8/2020	14G	NCSS LIONS	EQUIPMENT	Camp Victory Hand San. & 2 roofs	\$8,000.00	1/18

It's a very simple concept — we wanted to bring some joy to these hospitalized patients,” Sharon Litwak, tells PEOPLE. “Nurses and volunteers can bring the carts to kids in their rooms if they are too sick to use a pediatric playroom.” (Wellspan York Mobile Playroom Dallastown Lions Club \$1,000.00 grant toward \$2,200.00 project).

Our relationship with Salus University Department of Blindness and Low Vision continues in 2021 with a \$25,000 award for scholarships and an additional \$5,000 to replace some well-used training equipment.

*I checked on my last two cataract patients today. They both have completed their process and are doing very well. In fact, Junita said she is better than wonderful.
Thank you and the grant committee for your amazing support.
PDG George Reisinger,

The Millville Lions Club received a \$5,000 grant from the Northeast Pennsylvania Lions Service Foundation to purchase this bicycle/wheelchair combo, called "The Duet," for Camp Victory. Showing the new equipment are (from left) Gail Truax, assistant camp director and food service director; her grandson, Jude Martin; Dan McCarty, president of the Millville Lions Club; and Kate Stepnick, Camp Director.

From the Sleep in Heavenly Peace, Luzerne County Build Day for which District 14-W received a \$6,000.00 grant. We raised over \$8,000.00 for the event. We had over 60 volunteers Lions and community/family volunteers come out for this build.

A sincere Thank You from the Lions of 14-W to the NEPALSF for approving the grant for this very worthwhile project. Together we will provide 48 beds for children who need them.

Please note: To support our record-keeping, we request club or district meeting minutes be included with grant applications documenting that a vote was taken to endorse the grant request. Please visit www.nepalsf.org to access application guidelines under the GRANTS tab. If you have any questions or need assistance, please reach out to your district's board members or to grants@nepalsf.org.

The Foundation by laws have been amended to allow an additional board representative from each of our nine districts, expanding our Board of Directors from eighteen (18) voting members to twenty-seven (27). A policy and procedures manual has been developed to aid with board member orientation and development.

Anyone is welcome to join our Board Meetings at the PA State Council of Lions Clubs Office, 949 E Park Drive, Harrisburg, PA. Please join us with a reservation for dinner – call 484-546-2085. Appetizers are served at 5:30pm, dinner is at 6:00. The meeting usually adjourns between 8:00 – 8:30 pm. Meetings scheduled for 2021 are on Wednesdays: June 09th, September 15th, and November 10th.

CHRISTIANA LIONS CLUB'S HOMETOWN HEROES BANNER DEDICATION SERVICE

Article on next page*

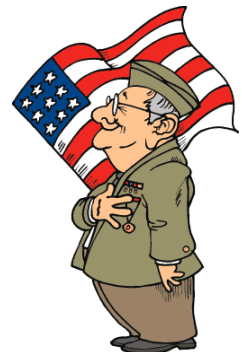

In 2017 the **Christiana Lions Club, 14-D**, sponsored a program called the "Hometown Heroes Banner program." Many requests and pictures were obtained from those who wished to have a banner hung in honor of their loved ones who have served or paid the ultimate price. The banners were ordered and hung on various poles in Christiana by Christiana Lions and a member of the Christiana Borough Council. On September 3, 2017 there was a Hometown Heroes Banner Dedication Service held at the Chantry Place in Christiana. The event went over with such success that many more requests were made by families to have banners hung in honor of their loved ones; the Christiana Lions Club sponsored another Hometown Heroes program in 2021. The new banner requests were received, banners made and hung by Lions and a member of the Borough Council. There is now a total of 63 banners hanging in the Borough honoring those service men and women. On May 3, 2021 there was a Hometown Heroes Banner Dedication Service held at the Chantry Place in Christiana in honor of those new banners and those that remain hanging since 2017.

AVON GROVE LIONS' DISTRIBUTION OF FUNDS NIGHT

The **Avon Grove Lions Club, 14-P**, held their Distribution of Funds Night and distributed more than \$22,000 to twenty organizations. This amount, added to the funds distributed earlier in the year, totaled more than \$41,000. The members would like to thank everyone who made these donations possible by visiting the Lions Book Barn and Christmas tree sales and donating to White Cane fundraisers.

Barn

Where once farmers tended their livestock and the silo yielded grain for the winter, a magnificent used bookstore has arisen courtesy of the **Avon Grove Lions Club**.

Last week the Lions opened the doors of the Avon Grove Book Barn for another warm weather stretch in the tradition that began in 2002.

The barn is on the family farm of C.P. Yeatman and Sons mushroom company just north of Avondale borough. Members of the Lions Club and even the Yeatman family themselves are not sure exactly when the barn was initially built, but they know this: It was created to serve a dairy farm before the mushroom industry even started in Chester County. In 1920 it blew down in a windstorm and had to be rebuilt.

This year, as in the almost two decades just past, it reopened on April 2 for weekends and, as in the past, will continue through October.

The building itself is sprawling with a host of large nooks and crannies. It houses sections on fiction, non-fiction, specialty subjects and an imposing children's book room. In the back are storage areas that hold volumes piled up and waiting to be catalogued as well as a supply of donated used medical equipment that the club gives out free to people in need.

Lion Bob Yeatman, on whose family land the barn stands, said the tradition of giving out and selling books for virtually pennies began in 2002.

"We started having it only one weekend per year in the Friends Meeting the first couple years. Then we moved to the barn. Originally, we only used the main barn floor and gradually expanded the current layout. It has become our biggest fundraiser in the last 10 years or so," he said.

(Lion) Eric Hansen, who was staffing the checkout counter on Saturday with his fellow club member (Lion) Fran Thompson, said the reason for the move from taking the books to the Friends Meeting was the exhaustion of carrying out the boxes every month and bringing them back. "We decided to let the public just come to the barn," he said.

The club advertises its hours on Fridays from 4 to 7 p.m.; Saturdays 9 a.m. to noon; and Sundays 11 a.m. to 2 p.m.

There is an estimated supply of 70,000 books available. Paperbacks are 75 cents; hardbacks are \$1.50; children's books are 25 cents.

Often families come in with their children and let them browse as long as they want, picking out whatever suits their fancy. At other times, collectors of rare old volumes stop by repeatedly see if any new treasures have arrived.

Hansen and Thompson cited examples of good memories they have of participating in the project.

Hansen said there are families the come in year after year, and they are pleasantly surprised to see the older ones mature and younger ones appear.

He also spoke about the folks who come in to browse and the variety of books they find. He said he once helped clean out the estate of a man who had died. He came upon a leather-bound bible that he thought would be valuable, but it was not. However, surprisingly, among that same collection he found an original book of etchings done in the 17th century that was assessed to be worth thousands of dollars.

The power and order behind the operation of the book barn is Sylvia Field, 61, of West Grove. She and a host of volunteers see to it that the books are shelved and sorted according to a classic system by alphabetical order of authors' last names – except biographies, which are in order of the last names of the people the books are about.

Accompanying Field are four beloved cats who live in the barn year 'round and are pampered by Field. "Without the cats I wouldn't be here," she said. The dominant cat, Murphy, rules the roost, greets guests and most often follows Field wherever she goes. Field oversees all the books and their cataloguing. When asked about an author or title, she most often knows exactly where it is.

As the number of books grows, Field applies her creativity to their placement.

Most recently she created a shelf she calls the "Eclectic." She said it's hard to describe exactly which books are sitting there, only that they are unusual or quirky. One, for example, looks like a rolled-up paper towel package, but it is actually a compilation of culture-changing stories that have been written in the New York Times. Another section is books by local authors. Still another is a large book that is so old the cover is disconnected.

When asked what Field's title or position is, Hansen and Thompson were stumped. All they could say was that she is "The Everything."

As the years go by, the Book Barn has increased not only in space and volume but in popularity. Hansen said many parents of home-schooled children come in as well as those looking for supplementary material for their kids in the traditional local schools.

Some people come from as far away as New Jersey and Lancaster County. Others arrive after having been referred by the operators of Baldwin's Book Barn in East Bradford.

The book barn is part of the overall mission of the Lions to provide community service. In that connection they send all their paperback fiction books at the end of each season to the military for inclusion in service members' Christmas stockings.

Additionally, their collection of gently used medical appliances has grown so that anyone who needs a wheelchair, crutches, a walker or other device can come and request one for free.

The Lions Book Barn is on the Mother Earth Mushroom Farm at 600 North Baker Station Road in London Grove Township just north of the route 1 and 41 intersection. Access Baker Station Road from Woodview Road, which has a bridge out farther down the way but does not affect the entrance to Baker Station.

Avon Grove Lions Club, 14-P, chose **Sarah Milley** as the Student of the Month for April. Sarah has been on the school's volleyball team, the cheerleading team and involved with the school's dance team; she is a proud member of the AGCS' elite dance company. She is also a member of the National Honor Society and is involved in multiple community service organizations in and outside of school. She served with Rise Against Hunger and has completed 140 hours of service at the Jennersville Hospital.

After graduation Sarah plans to attend Duquesne University in the Doctor of Physical Therapy Program.

*Pictured are **Sarah Milley** and **Dr. Blase Maitland**.*

Ayden Caulder was named the **Avon Grove Lions Club's** Student of the Month for April from the Avon Grove High School. The list of his school activities includes cross country, Track and Field, Leo, ENACT and TAG clubs. He is active in the community with Boy Scouts of America, acting as the Assistant Senior Patrol leader mentoring younger Scouts. He achieved Eagle Scout rank and completed a bench which was placed at the intersection of three major trails within the Possum Hill-Fair Hill region. Academically he achieved high and distinguished honors throughout high school.

Ayden plans to attend Penn State at University Park majoring in Engineering.

The **Avon Grove Lions Club** Senior Student of the Month for May from the Avon Grove Charter School is **Madison Ollis** (right above). She has been a part of the cross country team and was the girls' captain for two years. She is also a part of the Yearbook Club. She has always enjoyed helping others and often helps out in her community with the Shop-With-a-Cop, the Chester County Food Bank and her local church. She plans to attend Penn State Brandywine and major in sports marketing.

Sophia Crossan (left) was named the **Avon Grove Lions Club** Student of the Month for May. She is active in school with SADD, the Avon Grove Minds Matter Club, girls ice hockey, Allied Health Program and National Honor Society. Sophia has been active in the community with KMC Dance. She was awarded Student of the Quarter for TCHS-Allied Health and has achieved high and distinguished honors academically throughout high school.

She plans to attend Villanova University and medical school to become a psychiatrist.

Jessica Griffin from the Avon Grove Charter School was awarded an **Avon Grove Lions, 14-P**, Scholastic Achievement Award.

On June 2, Mrs. Jennifer Scott, the **Owen J. Roberts Middle School Leo Advisor** hosted an in-person meeting at the Middle School. This pandemic year there were 21 Middle School Leos. All members completed the required commitment for induction. Two members and several parents attended the meeting virtually. Mrs. Scott welcomed the Leos and guests with a video presentation showcasing the year's activities. Mr. Terry Stouffer was introduced to the Leo Club and helped with the presentation of tee shirts and certificates. After the presentation the Leos recited the official pledge of membership to the club. Following the induction of Leo members, Mrs. Scott was presented with an Appreciation of Service Award by the **Coventry Lions Club (14-P)** for her excellent leadership throughout her tenure as Advisor. This year marked her fifth year and she was awarded with a Five-Year Advisor Certificate.

A very satisfying year of service and activities was recognized by the school as the club was feted with breakfast at the conclusion of the induction ceremony.

"The pattern of their ways is known to us. They were Lions and industriously applied the Code of Ethics and the Objects of our Organization. These Lions took an active interest in the civic, commercial, social and moral welfare of their communities and fostered a spirit of generosity and consideration among all people. In theory and in practice, they promoted the principles of good citizenship and fulfilled their obligation to the nation, state and community by giving to them their unswerving loyalty in act, word and deed. They gave freely of their time, labor and means that they might be of service to their fellow man. Their hands were ever reaching upward, reaching toward a task. These Lions were careful with their criticism and liberal with their praise, believing that in building up themselves they need not tear down another.

These Lions gave to us duty and love and a true man's trust. Their allegiance to our code and their devotion to our cause have left their mark, for because of them, we are stronger, we are better.

The treasure of their toil belongs to us, their fellow Lions."

Dear Lions, Lioness, Leos,
and Friends,

The walkway was installed in 2007, and will be updated each year. The walkway, patio, and wall area was professionally installed, and is a beautiful addition to Governor's Green. This fundraiser has helped with several major improvements; and it continues to be a wonderful way to show your dedication to Beacon Lodge, and to honor or memorialize those we love and respect.

Once again we thank you for your continued support of the PA Lions Beacon Lodge Camp and programs.

Respectfully,
The Board Members

Orders received by
May 1st of each year
will be installed prior to
Lions Appreciation Day.
