## And we Continue .... To Serve from the Heart

Greetings Lions and Leos,

Hooray! As I am writing for this edition of the "Pride", the sky is blue, it is about 65 degrees and I have already had to cut my grass. My spring routine of maintaining my snow blower and moving it from my garage to the shed and getting out the mower has happened. That tells me that spring is here, and we are out of the doldrums of winter.

Having said that, it also means it is the time of year that Lions need to kick in gear real time recruiting for your club and bring those District totals to a positive number for the year. Our Multiple District is currently down fifty members. What does it take to end the year on a positive note? Well, clubs first need to rethink and double back to each member that they are considering dropping. Be sure that is the correct initiative to take. Retention of our members is so important. We all also need to put on a new member campaign. Let's look for ways to bring in a few new members to help some of the more long-term ones who may be slowing down. With 646 clubs in MD-14, if each would bring in one new member and have a minimal drop, we could be positive overnight. That is a challenge that I make to every club and every Lion in PA. Let's make it happen.

I just returned from the International Board of Directors meeting where the CA-1 (US) Directors had a meeting with 1<sup>st</sup> VP Brian Sheehan. He challenged all of us to go back to our Multiple Districts, encourage our Past Governor Teams and develop a plan that will work to contact every club for membership and leadership improvement. We have a chance to end this Lion's year for the first time in years on a positive member note. It will take work. More importantly we all need to be on board to carry this on in the next years and continue the growth.

Our Lions friends outside of the US are continuing to see our numbers decline and wonder why we are still headquartered in the US where Lions were founded. We know why but need to begin to show the rest of world that we are serious about keeping our organization in the US. That means we must work a bit harder growing our members and a bit harder in developing solid club and district leadership.

LCI has been providing the tools for Lions to do this. All we need to do is learn how to better use them. VP Brian was very serious about our need to change, but he was also excited about the fact that we have good, solid Lions in the US that can do the job and get us back on track doing what we all do best, that is serving humanity.

Please don't take this as a sermon, but a request to keep our organization alive through our second century of service.

Enjoy this spring and summer. I hope to see many of you at Lions Appreciation Day at Beacon Lodge in July.

In Lions Service,

*TD Larry*

## **MD-14 LCIF REPORT**

In a few weeks, we should have the total for Campaign 100 and as of this report we are very close to reaching our goal of 300 million dollars! So far MD-14 has raised nearly 1.9 million dollars for the campaign! *Editor's note: \$324,687,263 was raised; thank you!*

PDGs Kerry and Evan would like to thank everyone who helped make this campaign a success during the last four years! It could not have been done without your help!

District 14-C did an amazing job going well over the goal set for them by LCIF!

After Campaign 100, the need will still be there to donate to LCIF, especially with so many disasters happening in the world. We hope that you will continue to support this very worthwhile cause!

The Telethon 2.0 was very successful; we hope you had an opportunity to watch some of it.

Please remember the LCIF Legacy Program, so your years of service as a Lion can continue for a very long time.

The Community Impact Grant is a great way of giving and receiving something back for your community. Your club would receive 15% in an approved grant for your community for donating at least \$5,000 within a Lions' year.

Once again, we would like to express our sincere appreciation for your support, and we are sure that you will do the same for the new MD-14 LCIF coordinators next Lions' year!

# LEGAL COUNSEL

Lion Ashley Grimm

## Sales Tax & Fundraisers

The following advice from Lion Ashley Grimm was included in a July 7 letter sent to PA clubs with the new state sales and use tax exemption form:

*"The PA State Council of Lions Clubs is registered in Pennsylvania as an Institution of Purely Public Charity under The Institutions of Purely Public Charity Act, 10 P.S. 371. et seq. As such, it, and its subsidiary clubs, qualify for an exemption from PA Sales Tax. This means clubs are exempt from paying sales tax when they purchase goods or services. It does NOT mean they are exempt from remitting sales and use tax to Pennsylvania during fundraisers."*

## Tax Reminder

Lions clubs districts and multiple districts with annual gross receipts less than US \$50,000 that are not otherwise required to file Forms 990 or 990-EZ **must** file the e-Postcard (also known as the 990-N).

If your Lions club, district or multiple district has a foundation, which is a separate legal entity, the appropriate form will need to be filed as well.

## E I N

*Each club and district should have its own Employee Identification Number (EIN) and file a yearly report with the Internal Revenue Service (IRS).*

*If you have questions or need more information, please contact LCI's Legal Division at 630-468-6732 or go to [www.lionsclubs.org](http://www.lionsclubs.org).*

## No More Whining!

After researching the matter with the Executive Director of the PA House of Representatives' Liquor Committee and the PA Liquor Control Board, MD-14 legal counsel Lion Ashley Grimm reported "liquor is not permitted to be in a basket for purposes of a raffle. This also includes silent auctions. A wine and spirits gift card is permitted to be included in a raffle basket, though." Including any type of alcoholic beverage is a violation of the PA Liquor Code, Title 47, and is an unclassified misdemeanor offense. The fine upon conviction is \$500, levied to the sponsor of the fundraiser. Under the state's small games of chance law, it is illegal to host basket raffles at fundraising dinners used to benefit someone who is sick.pt from remitting sales and use tax to Pennsylvania during fundraisers.

## Centralizing Lions Guidance

## Center of Pennsylvania

How do we centralize Pennsylvania to enable all districts to travel to a central location for guidance?

Longitude: 74 degrees 43'W to 80 degrees 31' W

Latitude: 39 degrees 43'N to 42 degrees N

Therefore, the geographic center of Pennsylvania is located in Centre County, 2.5 miles southwest of Bellefonte, which is Longitude: 77 degrees 44.8'W and Latitude 40 degrees 53.8'N.

## District 14-C Humanitarian Support for Ukraine

Lions clubs of District 14-C have come together in cooperation with Carlisle Events and the Salvation Army to collect donations for Humanitarian efforts in Ukraine.

Beginning with the Carlisle Events' Spring Carlisle show and running through the Fall Carlisle show at the end of September, members of District 14-C Lions clubs will staff gates during peak times collecting donations marked for Ukraine.

When asked about the humanitarian efforts by The Sentinel newspaper, the Carlisle Lions Club President Raymond Highlands replied, "Our motto is 'We Serve,' and when Carlisle Events called us to ask about supporting this cause, we were eager to spring into action." "In addition to Lions from our Carlisle club, we are thankful for the help and support of area Lions clubs, too. I can't thank them enough as we pull together to help those in need."

Carlisle Events may have called the Carlisle Lions club, but this effort will take multiple clubs to ensure the success. Currently clubs from District 14-C, Zone 2a stepped up and staffed the Spring Carlisle Show. However, with one show completed and seven more to go, lions from across District 14-C may be called upon to ensure staffing for future events.

Shows put on by Carlisle Events in Carlisle bring car enthusiasts from all over the United States, Canada and other countries around the world. Carlisle Events advertises in multiple medias and Lions have been included in news broadcasts, banners and newsprint, getting the word out about Lionism.

Thank you for helping us serve!

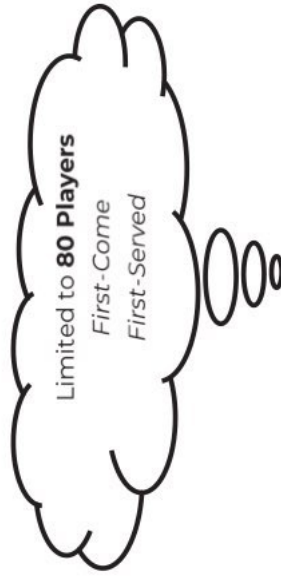

In 1948, Lion Carl Shoemaker helped found Vacations for the Blind, a summer camp designed for adults with vision impairment. Since then, the name was changed to PA Lions Beacon Lodge Camp. The program has also changed to include children and adults with a wide range of disabilities. By providing a sponsorship or joining us at the Country Club, you will be helping us continue our mission of providing a summer camp experience to our statewide community of Special Needs Children and Adults.

Multiple District 14 contributed more than \$213,000 to LCIF during the 2021-2022 Lions year.

## Melvin Jones Fellows 2021-2022

### Melvin Jones Fellowship

The Melvin Jones Fellowship (MJF) is the backbone of our foundation. Presented to those who donate US\$1,000 to LCIF or to people for whom a donation was made by others, it's a tremendous contribution to humanity and to the legacy of our founder, Melvin Jones.

- There are more than 470,000 MJF recipients worldwide
- There are more than 99,000 PMJF recipients worldwide
- 100% of MJFs are invited to the annual luncheon held at our international convention\*

*\*ticket purchase required*

Contributions for the MJF can be made by individuals (including non-Lions), clubs or districts. Donations may be in one sum or in installments. Melvin Jones Fellows receive a special lapel pin, a plaque and a congratulatory letter.

### Progressive Melvin Jones Fellowships

The Progressive Melvin Jones Fellowship (PMJF) program is a way for donors to extend their commitment to LCIF. There are 54 recognition levels beyond the initial US\$1,000 MJF contribution with a unique pin for each giving level. After contributing US\$100,000, donors become [Humanitarian Partners](#).

To order replacement pins or to make a PMJF donation, contact Donor Services at 630-203-3836 or [DonorAssistance@lionsclubs.org](mailto:DonorAssistance@lionsclubs.org). Prices for pin replacements vary by level.

*"These Lions gave to us duty,

### Lions Code of Ethics

**To Show** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

**To Seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

**To Remember** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

**Whenever** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

**To Hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

**Always** to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

**To Aid** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**To Be Careful** with my criticism and liberal with my praise; to build up and not destroy.

# Cranberry students honored

Cranberry Area Lions,  
14-F

Three Cranberry students were honored with Service, Effort and Initiative Awards at the Lions' Club meeting on Monday. Winners of the biannual award were nominated and selected by their teachers and school counselor based on their commitment to their school and community. They received a certificate, gift card and other gifts from the Cranberry Lions Club. Winners of the SEI awards are (from left) Mackenzie Redfield, daughter of Tony and Melissa Redfield of Cranberry; McKenna Michael, daughter of Eric and Marita Michael of Kennerdell; and Lauren Heim, daughter of Justin and Sabrina Heim of Seneca. They are shown with Jack Middleton, Lion's Club president; and Lion's Club member Larry Walker, who introduced the award to Cranberry.

Dear Lions, Lioness, Leos, and Friends,

The walkway was installed in 2007, and will be updated each year. The walkway, patio, and wall area was professionally installed, and is a beautiful addition to Governor's Green. This fundraiser has helped with several major improvements; and it continues to be a wonderful way to show your dedication to Beacon Lodge, and to honor or memorialize those we love and respect.

Once again we thank you for your continued support of the PA Lions Beacon Lodge Camp and programs.

Respectfully,  
The Board Members
