WE NEED YOU!

Again I must apologize for the issues of The Pride not being done within proper timing. I've kept some of the outdated material for its context and importance. The year 2026 will bring better editing, I promise.

Thank you, State Admin Deb, for your patience and understanding.

From Council Chair Mike Crossey

Welcome to a new year in Lionism. It is with great excitement and a deep sense of responsibility that I step into my new role as your Council Chair. I say that again - Your Council Chair - because I am here to serve you. Our toast says it perfectly:

“Not above you - Not beneath you but, - With you.”

We would not be Lions if we did not believe and understand that each of our communities has needs and gifts, and as servant leaders, we can bring these together, to better our neighborhoods. We serve with hands and hearts to connect people, causes, benefits and projects.

For those who do not know me well, I am a retired teacher, retired Union Leader, retired financial planner, and former elected official. While I have retired in several areas I am still actively working as a business broker and personal coach.

I am enthralled daily by the mission and work of our Lions clubs. Our clubs are the foundations upon which we build. We serve our communities and neighbors like nothing I have ever seen or experienced before. I congratulate and thank you for your leadership and service.

Internationally, we have been given a huge task: Mission 1.5. Our leadership has asked us to grow to 1.5 million members. That's a mighty big number and simply seems like an impossible task. But, like anything else, it all depends on how we approach it.

I'm sure you've heard the phrase “how do you eat an elephant?” The answer of course: one bite at a time.

That's how I want you to think and look at our directive from International.

I believe in the K.I.S.S. method for everything I do. Keep It Simple Success.

I ask you, each and every Lion in Pennsylvania, to invite one person each week to attend an event, a meeting, a service project. The odds are that out of four invitations you will get one person.

Half of those will join... why? Because we are the best kept secret in Pennsylvania.

We just help people. No politics. No BS. Just service.

Everybody wants to be somebody. Remember the old TV show “Cheers.”

Everybody wants to make a difference.

Everybody wants to belong.

Let's give our friends, our neighbors that chance.

You were saying Lionism.

Mike Crossey, Council Chair.

MISSION 1.5 

Happy Thanksgiving

As we gather for Thanksgiving, something subtle happens. The pace eases. We relax. We converse more. We seem to be at peace. It's as if gratitude itself pulls up a chair at the table and reminds us of what matters.

Gratitude seems like a simple virtue, but it's a real powerhouse. It changes how we see the world. It changes how we interact with others, with ourselves and it changes how we weather the daily storms that keep showing up.

In Lions, we have so much to be grateful for: the institution itself that gives us a structure to serve others. Our fellow Lions who are treasures, often friends even outside of Lions. The causes we work so hard to support and the others as we serve.

When we practice gratitude, we notice the small things that might go unseen: the smile of a friend who checks in at just the right moment. The warm meal that starts our day. The family member who checks in and asks how the day is going. These are like little gifts that stack up daily when we notice them.

The remarkable thing about gratitude is how it spreads. When someone expresses true gratitude, it makes us smile, warms our heart, and brightens our day. You feel taller. Breathe easier and hopefully pass on that kindness to another person.

Gratitude can spread ripples just as a rock skipping across the pond.

So, this Thanksgiving spread gratitude everywhere. It is contagious. Tell someone you appreciate them. Name one thing you might have overlooked. Start each morning jotting down three things you are grateful for, and at the end of each day reflecting on three comments or gestures you made that demonstrated your gratitude to others.

Gratitude is more than a feeling. It is a posture. It is a way of life. It's a belief that no matter how chaotic the world is, I will find and see the good.

This Thanksgiving season be thankful, be grateful. Show thankfulness. Show gratitude.

This Thanksgiving be a Lion. Spread gratitude and thankfulness to others.

Happy Thanksgiving, Lions.

Mike Crossey, Council Chair

Global Leadership Team Report
PDG Kerry McKnight, MD-14 GLT Coordinator

The First Vice District Governors (FVDGs) and Second Vice District Governors (SVDGs) gained practical experience in Council Meeting etiquette and a deeper understanding of the District Governor's roles during two simulated Council Meetings at Council Meeting #2 in November. VCC Douglas Nace oversaw the FVDGs' meeting, while current CC Mike Crossey presided over the SVDGs' meeting.

The VDG Retreat will be held January 9-11, 2026. It is a highly anticipated event for VDGs in MD-14. This gathering provides a unique opportunity for participants to learn from experienced faculty and their peers. By sharing insights and best practices, VDGs can discover how their districts approach various issues and potentially identify new strategies for their own work.

The 2026 MD-14 GLT Spring Symposium is scheduled for February 14 at the State Office in Harrisburg and February 15 in Butler. Further details regarding the agenda and registration will be announced soon.

In closing, the Regional Lions Leadership Institute is scheduled for March 6-8, 2026. Spaces are available, so, Governors, we encourage you to present this unique and valuable opportunity to the Lions of your district to learn to become an effective leader.

Please contact your District Governor for an application. This empowering institute will be held at the State Office, with accommodations at the Holiday Inn Express East.

Respectfully submitted,
PDG Kerry McKnight,
MD-14 GLT Coordinator

A grant from the **Lions of Pennsylvania Foundation** was presented at the **South Fork Lions Club** picnic on August 25, 2025. The background information was presented by Lion Rob Dill, from the South Fork Lions Club.

The South Fork and the **Adams Township Lions Clubs** are proud to announce that they have been jointly awarded a grant in the amount of \$5,000 from the Lions of Pennsylvania Foundation (LOPF) to support local disaster preparedness efforts. This innovative project will provide funding for Forest Hills High School students to complete the Fire Safety 1 certification course through Bucks County Community College.

Lion Rob Dill, South Fork Lion

Upon earning their certification, participating students will volunteer with local fire departments, strengthening emergency response capacity while gaining valuable skills that serve both their futures and the community. This initiative not only addresses a critical need for trained volunteers but also embodies the Lions' mission of service and investment in youth.

The clubs worked together to secure matching funds through local fundraising and community support, ensuring the project met the rigorous LOPF criteria of long-term benefit, broad community impact and strong Lions involvement.

PDG Richard Hautz presenting the \$5,000 check to
Lion Rob Dill

PDG Richard Hautz, member of the Adams Township Lions Club and Global Leadership Team Chairman, stated, "This grant is a testament to what Lions can achieve when we work together. By joining forces, our clubs are helping to prepare the next generation of volunteers, supporting our fire departments, and making our community safer."

The South Fork and Adams Township Lions Clubs look forward to seeing students take part in this program and to sharing their progress as they train and serve with local fire companies.

UPDATE as of 09-08-2025 - An additional \$15,000 was obtained from Lions Clubs International Foundation (LCIF). South Fork Lions Club

President, Lion Brady Hamady, stated: "We applaud the joint efforts of the Forest Hills School District along with the South Fork and Adams Township Lions Clubs to secure \$20,000 in grants to begin a Fire Safety Certification course for the students. It is our hope that we can help boost participation in our local fire companies and ambulance services by helping students get involved. When our community speaks.... WE LISTEN!"

The Northeast PA Lions Service Foundation Continues To Thrive

The Northeast PA Lions Service Foundation began the current Lions year with its annual Lunch and Learn presentation at the State Council meeting in August. The presentation recaps the previous year's accomplishments and serves to educate incoming vice district governors regarding the Foundation's mission and operations.

September's board meeting marked the beginning of our new board president PDG Marty Zimmerman's tenure. Three newly elected board members from PA District H were welcomed to the board of directors; PDG Butch Sands, Lion Josie Sands and Lion Barbara Taylor. Lion Christina Pacelli joined as the newest voting board member from District W as well.

Our 2025-2026 budget includes \$330,000 intended for grant awards. The Foundation was proud to award almost \$233,000 in the 2024-2025 Lions year. Since its inception in 2016, the NEPALSF has awarded over 1.8 million dollars to aid Lions and Leo clubs in service to their communities.

If your Lions or Leo club is located within these nine districts (C, D, G, H, K, L, T, U, W) please visit www.nepalsf.org for more information about the four types of grants your club may apply for (patient care, equipment, education and community service) and the requirements for each type of grant application. It is important that you use the current grant application from the website. Electronic submissions are preferred and will expedite the process of reviewing your application. Your district's representatives are another resource to answer questions or to speak at a club or zone meeting.

The Northeast PA Service Foundation continues to demonstrate its commitment to improving the quality of life for the communities it serves. The Foundation is well-positioned to build on its current momentum and create lasting impact by enabling Lion and Leo clubs to make a greater impact in their communities – remember, "Together We Serve!"

For more than 75 years, PA Lions Beacon Lodge Camp has stood as a place of belonging, joy, and independence for campers with physical, developmental, and sensory disabilities. Every Lions Club in Pennsylvania has played a part in that legacy — and now, we've taken a big step forward to help every club stay connected, informed, and empowered.

Introducing the Beacon Lodge Club Hub

The Club Hub is a brand-new online resource center designed exclusively for Pennsylvania Lions Clubs. It's your club's one-stop destination for everything you need to promote, support, and sustain Beacon Lodge Camp in your community. Inside, you'll find:

- Fundraising guides and ready-to-use materials
- Flyers, brochures, and wish lists
- Communication templates and social media assets
- Educational and presentation tools for club meetings
- ***Resources to help establish or strengthen your club's Beacon Lodge Camp Committees***

Every Lions Club has a role to play — and the Club Hub makes it easy to get started.

(No account or special login required — just enter the password and go!)

Why This Matters

Beacon Lodge Camp has changed countless lives — and with your help, it will continue to do so for generations to come. The ongoing success of the camp depends on active engagement from our Lions Clubs.

Your leadership can ensure that each club in your district:

- Appoints or renews a **Beacon Lodge Camp Committee**
- Shares the camp's story locally
- Uses the Club Hub to access tools and plan activities that sustain the mission

This is an important moment for Beacon Lodge — one that calls for every Lion's heart, voice, and hands.

Together, We Keep the Light Shining

Please share this resource with all club presidents and encourage them to explore the Club Hub. If every club reconnects with Beacon Lodge, we can secure a strong, vibrant future for the camp and the communities it serves.

Thank you for your continued dedication and leadership — and for keeping the Beacon shining bright.

In service,

Quilts of Valor is a national organization founded in 2003 by a Blue Star mother whose son served in Iraq. While he was deployed, she got the idea of comforting veterans and service members with quilts. The Stars & Stripes of Lancaster, Quilts of Valor team mission is to honor the service members and veterans who have been touched by war with a Quilt of Valor. These quilts, made completely by volunteers who care, are not handed out, they are *awarded*. They consist of three layers, the top layer represents communities; the middle batting brings warmth, comfort, peace and healing and the backing represents strength. Veterans of the **East Cocalico Lions Club, 14-D**, are shown above with their quilts.

The members of the East Cocalico Lions Club thank their veterans and want them to know their service is greatly remembered as is the valor they have shown in doing their duty in spite of possible consequences.

Pride in the Green and White after a Disaster

Attending a Lions International Convention is a trip all Lions should take at least once in their lifetime. Lions International Conventions provide Lions the opportunity to meet other Lions from around the world and to truly get an idea of how big and far-reaching Lions International is. When attending you meet and talk to Lions, hearing their stories and learning about projects they do from all corners of the world. During the 107th International Convention in Orlando, FL, 2nd Vice District Governor Raymond Highlands from District 14-C was moving around the exhibition floor taking in the sights and sounds of the show and exhibitors when MD-13 Immediate Past Council Chair George Suggs came walking over and said he was looking to find someone wearing the Pennsylvania Green and White.

MD-31 IPCC George Suggs explained that he was council chair in 2024 when the devastating flooding from Hurricane Helene struck North Carolina. IPCC George talked with great pride about Lions and at times he would be a little choked up about the impact of the flooding in and around his home state and the help their state received. He stopped the first PA Lion wearing the PA Green and White. IPCC George specifically talked about the impact that Lions from MD-14 had on North Carolina. IPCC George lives in the Ashville area and opened a warehouse accepting truckloads of donations after the flooding. PA Lions sent multiple truckloads of supplies and staff to NC to help after the massive flooding. IPCC George talked about how PA Lions showed up with their uniquely wrapped tractor trailers loaded with goods accompanied by PA Lions who helped in the warehouse and throughout the impacted area.

IPCC George came to the first Lion from PA he could find who was wearing with pride their green and white, and 2nd VDG Ray was honored to be the one to hear the stories of Lionism and success. IPCC George talked about the service he had done for years as a Lion but truly learned what Lionism meant when he and his multi-district were the ones being served.

2nd VDG Ray said, as a Lion for over 35 years it was a great honor to meet IPCC George and an even greater honor to be the one who was able to hear the story of how PA Lions once again have stepped up and impacted not just our local communities but Lionism across the country.

It was great to hear how Lions are there before, during and after disasters to help those in need. Also, it reinforced that Lions provide support through the local Lions clubs to help those in need, giving a greater meaning to the Lions motto "WE SERVE."

NO LIQUOR IN RAFFLES!

Liquor not permitted in basket raffles

Please be aware: A popular staple in basket raffles is a “no-no.”

After researching the matter with the Executive Director of the PA House of Representatives' Liquor Committee and the PA Liquor Control Board, MD-14 legal counsel Lion Ashley Grimm reported that “liquor is not permitted to be in a basket for purposes of a raffle. This also includes silent auctions.

“This equates to selling liquor without a license,” Lion Grimm said. “A wine and spirits gift card is permitted to be included in a raffle basket, though.”

Lion Grimm’s research supported the opinion expressed by Lawrence County Treasurer Richard Rapone in a recent New Castle News story that had prompted MD-14 State Council Chair Bill Morgan to contact Lion Grimm.

As part of the News story, Capt. Jamie Jones of the LCB Enforcement Bureau said including any type of alcoholic beverage – be it a six pack of beer, a bottle of wine, a bottle of whiskey or the like – is a violation of the Pennsylvania Liquor Code, Title 47, and is an unclassified misdemeanor offense. The fine upon conviction is \$500, levied to the organization sponsoring the fundraiser and not the donor of the basket.

In the News story, Rapone pointed out, under the state’s small games of chance law, it is illegal to host basket raffles at fundraising dinners used to benefit someone who is sick.

Dear Lions, Lioness, Leos,
and Friends,

The walkway was installed in 2007, and will be updated each year. The walkway, patio, and wall area was professionally installed, and is a beautiful addition to Governor's Green. This fundraiser has helped with several major improvements, and it continues to be a wonderful way to show your dedication to Beacon Lodge, and to honor or memorialize those we love and respect.

Once again we thank you for your continued support of the PA Lions Beacon Lodge Camp and programs.

Respectfully,
The Board Members
